

GETTING TO THE HUDDLE ROOM (H008)

When you come in the main entrance from college ave, take the hallway to the left of the staircase down into the SEC towards the elevator bank. Take the elevator to the third floor.

Take the hallway to the left of conference room SEC 327 and continue down to the very end. The huddle room (H008) is where many TA's may hold office hours.

Again please note that you cannot access this room through Robinson Hall or Anderson Hall from level 3. You will need to go down the main stairwell to level 2, down the corridor towards the SEC and back up to level 3.
